

Bio

Dr. Amy Climer

Dr. Amy Climer is a thought leader in innovation, team development, and experiential learning. She uses research-based practices, tools, and techniques teams can leverage to innovate on demand. Her clients include forward-thinking organizations such as the Mayo Clinic, Department of Homeland Security, and the University of Wisconsin. Amy holds a Ph.D. in Leadership and Change from Antioch University. Her research led to the Deliberate Creative Team Scale, designed to measure the three critical dimensions of team creativity. Her TEDx talk *The Power of Deliberate Creative Teams* explains her research and philosophies on innovation. Amy is the host of *The Deliberate Creative™ Podcast*, which has had over 160,000 downloads. She is the designer of *Climer Cards*, a creativity and teambuilding tool used by thousands to deepen conversations and generate ideas. Amy is also an emcee and in 2022 was one of emcees for NSA Influence. In recognition for her creative contributions, in 2016 she won the Karl Rhonke Creativity Award from the Association for Experiential Education.
